VALUE

£140k

DESCRIPTION OF WORKS

For this particular project at the new multiplex located in the centre of Bournemouth, Dorset we supplied and installed over 6,500 square meters of screed to the basement, lower and upper ground and the first floor. The screed was laid to many different demands through out the building as each client had an individual specification for their own unit, this entailed the screed to be laid at a range of different falls, ramps and thicknesses.

SERVICES AVAILABLE FROM PC FLOORING

**ALL TYPES OF SCREEDS | SELF-LEVELLING COMPOUNDS |
 UNDERFLOOR HEATING | THERMAL & ACOUSTIC
 INSULATION | PUMP SPECIALISTS**
