**For the attention of Oliver Hammond**

Dear Oliver

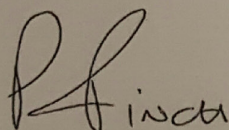

**Re: Dolphin Retail Park, Salisbury**

Further to the completion of Dolphin Retail Park in Salisbury, the project was formally handed over to the client on Monday the 27<sup>th</sup> June 2016. The client was delighted with the building and commented on the exceptional quality, sub-contractor performance and completing on time.

As you are aware, Perfect Delivery is part of our culture and we strive as a team to achieve this accolade on all our contracts. The client has confirmed that Perfect Delivery has been achieved and has also put on record that they would recommend Morgan Sindall and their sub-contractors to all prospective clients.

I would like to thank you and your team for helping to achieve Perfect Delivery on this outstanding project.

Yours sincerely
