

ENVIRONMENTAL POLICY

PC Flooring Ltd accepts its responsibility for achieving compliance with relevant environmental legislation, good practice and to operate in a sustainable manner.

Our statement of general policy is defined by the following:

- Minimise waste at source by careful selection and procurement of products and raw materials.
- Reuse or recycle materials wherever practicable.
- Minimise energy and water consumption at all businesses locations and for all processes.
- Operate and maintain vehicles with due regard to environmental impacts.
- Reduce environmental impacts of our operations to the local community.
- Assess the environmental impact of any new processes or products prior to introduction in the workplace; and
- Obtain latest information and good practice guidance from sources such as the Environment Agency and Net Regs.

PC Flooring Ltd is committed to reducing our environmental impact and to continually improving our environmental performance as an integral and fundamental part of our business strategy and operating methods.

By signing this Policy Statement, Mr Ian Hammond, the Managing Director, accepts full responsibility for ensuring that this Policy is effectively implemented and reviewed.
